

INTRODUCING DUAL GR.1 WINNER...

DICK TURPIN

NEW FOR 2012

The National Stud

## DICK TURPIN

We are exceedingly proud to introduce dual Gr.1 winner **DICK TURPIN** to our stallion roster for the 2012 season.

Dick Turpin started his career with trainer Richard Hannon as an eye-catching winner of four consecutive races and soon progressed through the ranks to become a Gr.2 winning 2 year old in the 2009 flat racing season. During his 3 year old career he beat Canford Cliffs on two occasions, including in the 2000 Guineas at Newmarket when second to European Champion Miler Makfi. He then beat Makfi in a re-match at Royal Ascot when second in the St James Palace Stakes and became victorious at Gr.1 level when winning the Prix Jean Prat in Chantilly. In 2011 Dick Turpin emerged as a strong top level performer winning Gr.2 races at Ascot and Sandown and crowning his career with a track record breaking win in the Gr.1 Premio Vittorio Di Capua at San Siro. The previous track record over the mile trip had stood since 1999.

This career highlights the reasons that National Stud Chairman Ben Sangster and I pursued Dick Turpin as a stallion prospect. His undeniable racing ability coupled with a spectacular turn of foot and his exceptional good looks and movement, we feel, makes him a sound and exciting investment for breeders.

Dick Turpin is the first stallion purchase made by the Stud since its transfer to the Jockey Club in 2008 and we are delighted to offer him as a new prospect not only to breeders wishing to buy nominations but also to those who are looking to invest in a shareholding in a stallion. A limited number of shares are available in Dick Turpin, please contact the Stud Office for more information. We look forward to sharing in this young horse's success with you.

# DICK TURPIN

*“has won at every level during his racing career and being a group winning 2 year old should mean he really appeals to commercial and home breeders alike. We always thought a lot of him at home and he has proved his class on the racecourse time and time again. He was a genuine racehorse and had a great turn of foot that served him well in both of his Gr.1 victories.”*
