## PROGRAMME INFORMATION

- All lectures commence promptly at 6.00pm and are of approximately 1 hour's duration. There will be several, however, which will run 90 mins. Lectures are held in the: Joan Westbrook Lecture Theatre at The National Stud, CB8 0XD.
- The theatre is signposted from the main entrance, there is ample parking either adjacent to the theatre, or on both sides of the approach road.
- It is important that all delegates sign the register for every lecture attended. Those who attend 75% or more of the lectures will receive a certificate of attendance.
- Lecture notes will be provided on the day for many of the lectures; however it is recommended that delegates bring their own notepad and pen.
- Delegates attending individual lectures must pay in advance.
- **PLEASE NOTE: *Dates are subject to last minutes changes as a consequence of lecturer commitments i.e. veterinary emergencies. Whilst every effort will be made to inform you of changes, it cannot be guaranteed that it will be possible to notify delegates before the start of the lecture. It is essential that all delegates provide emails and mobile numbers for accurate communication. We will also endeavor to post any changes on Twitter (@NatStudTraining) and on our FaceBook page ( National Stud). Should you have any questions the Training Department can be contacted until 5pm via reception (01638) 663434 or after 5pm on 07557266695 though the signal is not always reliable.
